With the sole purpose of offering top-notch services in local and international recruitment and human resource management, Cergas Manpower was founded in 2022. We provide highly skilled and trained labour to the oil and gas industry as well as the subsea sector to work on oil rigs, offshore platforms, and onshore. We are aware of the always shifting workforce concerns faced by small, medium, and large firms, and we continue to develop adaptable, innovative solutions to address all of these issues.

G.M's MESSAGE

From the day of its' establishment in 2022, CERGAS Manpower Supply is **proud to serve our client with undivided dedication and commitment.**

Our target is to complete all projects at the promised date by avoiding giving any compromises from the quality with the consideration of the customers' satisfaction being as the most important principle.

I say proudly that, we are found as a preferred and competitive company by our clients and the responsibility of this situation is so important for our company. We along with our experienced staff encourage to be more successful in coming years.

I would like to thank again to all of them.

Nancy Berandi
General Manager

About Us

With the sole purpose of offering top-notch services in local and international recruitment and human resource management, Cergas Manpower was founded in 2022. We provide highly skilled and trained labour to the oil and gas industry as well as the subsea sector to work on oil rigs, offshore platforms, and onshore. We are aware of the always shifting workforce concerns faced by small, medium, and large firms, and we continue to develop adaptable, innovative solutions to address all of these issues.

We offer manpower services for construction, drilling and maintenance to Oil & Gas industries for both onshore and offshore personnel in a variety of technical disciplines. Additionally, with the assistance of its skilled and knowledgeable workforce, Cergas Manpower will complete all projects on schedule and in accordance with the needs and expectations of the customer. In accordance with the majority of oil and gas operators in the sector, Cergas Manpower operates within the confines of the ISO quality system.

Cergas Manpower Supply is committed to creating and fostering long-lasting, results-driven partnerships. We are always aware of your complicated and changing business demands. By genuinely hearing and attending to the needs of our clients, applicants, and associates—not just in Malaysia, but also globally—we provide trusted services and consulting.

Why trust us?

- We process your work permit applications efficiently and promptly.
- As and when necessary, we handled your ground logistics difficulties.
- We are your one-stop shop for any shipping-related issues.

VISION & MISSION

• VISION

Our mission is to provide our valued clients with professional services of the highest calibre while exceeding their expectations to the best of our ability through the power of teamwork, honesty, and sincerity.

• MISSION

To establish ourselves as a market-leading, diverse firm. We are dedicated to giving our esteemed clients dependable, cordial, and competent service, as well as to supporting neighbourhood businesses. Our understanding of our clients' interests is demonstrated by our commitment to satisfying their needs and providing high-caliber services.
